Brought to you with love by

PERTH ART FOUNDATION has a mission to promote education and appreciation for contemporary art in Western Australia.

Perth Art / Foundation

Education

Foundation offers a multitude of ongoing programs and events aimed to enhance and enrich the public's experience with contemporary art. These programs are designed to facilitate art education, foster creative and scholarly development, and provide unique opportunities for anyone with an interest in contemporary art.

Sustainability

Committed to a future-focused mission of contemporary art, with sustainability foremost in mind. Foundation is committed to support the traditional custodians of the Land.

Accessibility

We are committed to providing equal opportunities and access to contemporary art for all people.
